

The Montessori School of Greater Hartford Annual Children's Fund Campaign | FAQ's

What is the Children's Fund?

The Children's Fund is MSGH's Annual Fund. The Children's Fund annual campaign runs from July 1 to June 30. All contributions to the Children's Fund directly support the children, families and staff at MSGH through:

- **classroom materials** and **cultural enrichment programming**;
- on-going **professional development** for staff;
- **MSGH's Flexible Tuition Program** for families; and
- **MSGH's Endowment** which allow us to commit to future generations

Why donate to the Children's Fund?

Tuition alone does not fully cover our operating costs. As a result we must turn to you, our friends and supporters, to allow us to realize the full richness of our mission. Like most independent schools we rely on these gifts to help meet annual operating expenses. The children, families, and staff at MSGH thank you for your support. In addition, your gifts is an endorsement of MSGH's mission as banks, corporations and foundations look to our participation rates to determine if MSGH is a good investment.

How much should I contribute to the Children's Fund?

Every gift has an impact on our community here at MSGH. We are grateful for your support. Only you can determine the amount that is appropriate for your family.

When is the best time of year to donate to the Children's Fund?

Every year, the Children's Fund kicks off on July 1st and runs through June 30. You can give a gift to the Children's Fund at any point during the fiscal year. We hope to gather the majority of pledges and gifts early in the campaign (through the fall and early winter). Many donors choose to give before the end of December for tax purposes. MSGH is a 501(c)(3) organization and all donations are tax-deductible to the extent provided by law.

We are grateful for the support of our entire community. Together we can continue to support every child, family, and staff member at MSGH.
